|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>Quizzes/Edpuzzle /projects</u> Quiz day Wed.</p> <p>Edpuzzle-you have been added already..sign in. You MUST use school email/google sign in.</p> | <p>Counts 20%</p> | <ul style="list-style-type: none"> • Alternating with tests every other week approx. • Either standard M/C, vocab or matching • Edpuzzle counts as a quiz |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| | | |
|------------------------------------------------------------|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>Labs/HW/Classwork/Class Participation</u></p> | <p>Counts 20%</p> | <ul style="list-style-type: none"> • Hand work in on time for full credit. • Everything is due by Fri of that week. This allows time for internet issues at home or school • Stay off your phone • Be on time...otherwise you might end up in a zoom wait room forever! |
|------------------------------------------------------------|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>How Can I calculate my grade?</u></p> <ul style="list-style-type: none"> • Use this link. Find the average of each category and plug in the categories. • Infinite Campus is live. All grades are updated weekly. If you do not hand something in, it will be a zero grade until the assignment is made up, graded and updated. That takes time. Think about that zero. |

| |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> • All groups will attend everyday. • You will have lab every alternating A/B day. The day you do NOT have lab you will be dismissed from class during the lab period only! Great Neck A/B Orange Blue Schedule-click here <p>EX. Mon. Day A Blue in class-orange and remote home. All stay both periods Tues. Day A Orange in class-blue and remote home. All stay both periods. Wed.. Day B Blue in Class-orange and remote home. All stay only one period Thurs. Day B Orange in class-Blue and remote home. All stay only one period.</p> <p style="text-align: center;">**If you have lab on A day you will have lab two days in a row!</p> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

| |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><u>**When joining Zoom you must:</u></p> <ul style="list-style-type: none"> • Be on time! If you arrive late and are remote: contact a fellow student to alert me to let you into the class. You will be marked late. 4 lates in a semester loses 1 Class participation point. (class /remote) • Dress appropriately. You are in school whether remote or not. • I love animals, however please keep distractions to a minimum! |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

- Use your own name-first and last!!
- Keep mute on (unless asking a question-please use the “raise your hand feature” first)
- Your video must be on and pointing towards your face.
- It is district policy that no lesson should be audio or video taped
- Appropriate remote/classroom behavior is expected.
- Become familiar with Zoom if you have not used it yet. [Zoom](#)

What if we lose zoom or connection?

- Try to re-enter
- All slides are posted at GC, access slides and work on castle learning
- If it was a streaming issue on my end I will post a message on Google classroom.
- You are responsible for any work during this time if it is available to you.

What if I am absent?

- If you are absent, or I am absent-check GC. all work and slides are available.
- If we have work done in class be aware of the due date whether I am absent or you are absent.
- You will **ONLY** be marked present when you have signed on to zoom and been present the entire period.

Materials for success-

- Although we are digital, many students have found it helpful to take hand written notes. You may write on the slides provided to you at GC or in a standard book. That is your choice.
- Calculator-you will have some calculations to be done and will need a standard calculator for the Regents..
- iPad/computer full charged.
- There are Regents review books to be purchased. All are different-you need to look over them and decide which fits your learning/studying style.
- [Click here](#) for the NYS Education website with all past Regents exams and answers
- [Click here](#) for Barons Regents Review
- [Click here](#) for some Regents review materials that you can get now to assist you in class-they are available all over...not just Amazon!!
